Where do we stand as the Brethren in Christ?

Our church is part of a much larger family of churches here in the United States. We hold convictions, some of which are rooted in our Anabaptist tradition dating back some 400 years! We provide opportunity to connect and to investigate through our Accents & Issues papers (found outside the church office), or by going to our national church website, bicus.org

Have you come prepared for fun and super soaking? We will be battling the heat by battling each other in the epic showdown of good and not so good! Who will win? There will be a meal after the service, Sunday sundaes, a water slide, water filling stations, and a whole lot of fun! Don't be afraid to get wet!
