### Where do we stand as the Brethren in Christ?

Our church is part of a much larger family of churches here in the United States. We hold convictions, some of which are rooted in our Anabaptist tradition dating back over 470 years! We provide opportunity to connect and to investigate through our *Accents & Issues* papers (found outside the church office), or by going to our national church website, [bicus.org](http://bicus.org)
