

Hollowell History

Hollowell Church was formed in 1883. It was initially a group of brethren meeting at the home of Isaac Shank. In 1888, a meeting house was erected on the current site of our church.

Hollowell has continued to reach our community with the love of God and with the message of the Gospel by focusing on community, a deeper spiritual life through the study of Scripture and prayer, and through the power of the indwelling presence of the Holy Spirit. It is our goal to reach others, teach and obey the Word of God, and celebrate God's presence through dynamic worship.

Reach, Teach, Celebrate

What can I expect to see in the Hollowell Community?

- A strong focus upon the authority of Scripture
- Expository preaching and teaching
- Blended contemporary worship service
- Dynamic children's and youth ministries
- Prioritizing friendship and fellowship
- Connecting and cooperating with other faith-based organizations
- Putting faith into action in practical ways
- Relationship with God and with His people

Where do we stand as the Brethren in Christ?

Our church is part of a much larger family of churches here in the United States. We hold convictions, some of which are rooted in our Anabaptist tradition dating back over 470 years! We provide opportunity to connect and to investigate through our *Accents & Issues* papers (found in the front foyer), or by going to our national church website, *bicus.org*.

Because church is more than just a tradition!
