

Fusion

Student Ministry

Grades 6-12

The students learned about overcoming fear with God's help on their fall retreat.

## Hollowell Kids

Our kids at Hollowell spent an evening packing Christmas gifts for 37 kids at 3 different orphanages in the DR. Their gifts include: a toy, hygiene items, sneakers, writing utensils, crayons, coloring books and journals. Through this experience and others the kids are continually learning the importance of serving one another.

## Baptism –December 20th

If you desire to be baptized please speak to someone on the pastoral team

Thanks to Lloyd for using his gift of painting. We now have a baptismal that is safer to use.

**Ladies Night Out**– 2nd Saturday of the month (7-10pm)

@ Hollowell Church December 12th)

## Family Spotlight– Meet the Fairs

Stefanie is from New York and Ryan is from Gettysburg. They met in college in 1998. The Fair's moved to Waynesboro from NY a few years after they were married and lived in Waynesboro for 14 years. They moved to Greencastle in 2018. They have three children, Griffin, 12 years old and is in 6th grade. Camrin is 8 years old and in 3rd grade, and Mckenzie is 7 years old and in 1st grade. Stefanie used to be a dental hygienist until she started staying home when the kids were born. The Fairs' are part owners of a plumbing heating and air-conditioning business.

They started coming into Hollowell in September 2019. All of their children came to Growing Tree Preschool at Hollowell. This is what encouraged them to start attending Hollowell. They were looking for a new church home when they moved to Greencastle.

An activity that they love to do as a family is to take family hikes. Ryan and the kids like to fish and go hunting. They also enjoy camping in the yard by the fire pit. They like to go bowling or just have a night in watching a movie or a football game. The Fairs would love to move to Wyoming when Ryan retires.
